REVENUE DEPARTMENT.

CIRCULAR MEMORANDUM.

No. 10672-9, dated 12—19th April 1911.

With reference to para 2 of Government Proceedings No. R. 6122-31—Ft. 16-06-12, dated 21st March 1908, directing that all cases of accidental fire in which there has been loss of human life, or cattle or property valued at Rs. 500 or more should be reported to Government, the Revenue Commissioner observes that reports of cases of fire involving loss of cattle and property of less than Rs. 500 value are frequently submitted to him from some of the districts. This is unnecessary and should be discontinued.

2. But to enable the Deputy Commissioners to form a general idea of the damage resulting from such fires, Deputy Commissioners are requested to open a register in the Form A appended. A consolidated statement showing the extent of damage caused by all accidental fires, inclusive of cases individually reported for the information of Government may be added in the annexed Form B., in the Revenue Administration Report of the district with such remarks as may be considered necessary.

3. Cases of fire in which property more than Rs. 500 or human lives are lost should continue to be reported forthwith to the undersigned for submission to Government in compliance with the Government Order quoted above.

To—The Deputy Commissioners of Districts.
